José R. Romero, MD, Secretary of Health

Plumbers Reciprocal License Application

I am applying for an Arkansas Master or Journeyman Plumber license on the bases that I hold an equivalent, current, statewide plumber license in another state. That my qualifying license is in good standing with and the licensing agency has been for more than one year. That my qualifying license was not obtained through reciprocity. And that I have never had a plumbing license revoked or suspended in any other state.

I understand that if licensed in Arkansas, my plumbing work and service will be subject to the current Arkansas Plumbing Code, Arkansas Fuel Gas code and the Arkansas Plumbing Law Ark Anna.§17-38-101 et seq.

I understand that the Board may grant a waiver of examination for licensure by reciprocity if the state in which you hold your qualifying license waives the examination requirement for Arkansas licensees.

The following verifications, information and document are required to be submitted **with this form** to the Arkansas Committee of Plumbing Examiners for reciprocity consideration:

- *Verification of License Form* or equivalent from a state licensing agency.
- Photo copy of all current plumbing licenses and driver's license.
- A completed Arkansas Master or Journeyman Plumber License Application.
- A signed copy of this form.
- All applicable fees. **(See the ADH website for application instructions, fees, verification forms and applications. <https://www.healthy.arkansas.gov/>)**

All materials must be complete and submitted together prior to consideration.

**If reciprocation of license without examination is not approved,
I wish to be considered for examination. YES_____ NO_____.**
